Dear Cassie:

Outstanding performance, once again, on the movement of our RAC Group of 925 persons to the Hyatt Regency Maui! Your drivers were extremely courteous, humorous, and really worked extremely hard on the luggage.

In offering seventeen tours per day for three consecutive days, we did not have one mishap or injury. This in itself is a huge victory.

Kealoha and Hank both blended in with the GEI staff like they had worked together daily for six months preparing for this large movement. Their island knowledge, friends all over the island, and their deep love of Maui was a testament to the high standards of DMC and transportation that Butch and your mom set some 30 years ago!

Global Enterprises has received an incredible number of accolades for outstanding management of this program, and a large amount is due to our lifetime partnership with you and Akina Transportation Services.

Cassie, none of us will soon forget your pre-planning or execution ideas of this program. It was nothing less than flawless! We all look forward to our next one together!

With warmest personal regards,
